LIGC Current actions (as of 18th October 2026)

Active actions

05.2	Continue work on branch status (Africa/Asia Pacific/Costa Blanca) and consider merging inactive branches where appropriate.	Secretary	18 Oct: Costa Blanca branch closure complete; Middle East & Africa branch has held two meetings and elected a committee and a GC delegate. No update reported on Asia-Pacific. 19 Sep: Africa branch meetings have resumed under the Vice-Chair's leadership; an August meeting attempt for Asia-Pacific attracted only one attendee, with further meetings being scheduled in September at varied times. Costa Blanca–Southern Europe merger remains substantially complete, pending transfer of the branch bank account to CLP. 18 Jul: Costa Blanca–Southern Europe merger substantially complete; outstanding step is transferring the branch bank account to CLP. Monthly branch meetings to resume. 21 June: Merger agreed; EC to execute.

09.1	Raise with Labour Party HQ why overseas electors' addresses are not appearing on the electoral register, contrary to regulation 45 of the Representation of the People (England and Wales) Regulations 2001.	Secretary / Membership Secretary	19 Sep: Mark to send the regulation reference to the Secretary to put to HQ.
09.2	Arrange a dedicated members' session with Richard Williams on how the NPF works procedurally (submission mechanics, timing, commission structure and outcomes) and report back to the GC.	Secretary	18 Oct: Session with Richard Williams arranged for 10 November. Members also suggested a follow-up session reviewing the NPF commission reports and LI's submissions. 19 Sep: Richard has indicated November; Secretary to confirm date and circulate.
09.3	Report back on access to HQ's "Organise"/"Labour Hub" membership tools and on the outcome of HQ's data-protection review of sharing membership lists for members resident in the United States (and possibly Singapore).	Membership Secretary	19 Sep: Access being rolled out after conference; US member lists on hold pending advice from HQ's external data-protection lawyers.
09.4	Prepare a constitutional/rule-change motion, for submission ahead of next year's earlier constitutional-motion deadline, addressing CAC's practice of not deciding on acceptance or rejection of a submitted conference motion until after the ordinary-motion cutoff date.	EC	18 Oct: Members cautioned that a rule-change motion precludes submitting a contemporary motion, and that CAC's timetable is long-standing; appeals against rejection must be lodged in writing by the deadline. Frankie Ashton suggested Sue Blackwell coordinate with her on a single

			approach. 19 Sep: Agreed at GC following this year's experience with the replacement-motion process.
09.5	Organise a members' webinar on the "Assisted Dying for terminally ill adults" motion ahead of it being brought to the October GC as an ordinary policy motion.	Netherlands branch (webinar) / EC	18 Oct: Motion debated and carried (7–2–3). Netherlands branch has written to the Bill's sponsors (no replies yet) and hopes to hold an open members' meeting with speakers on both sides; webinar still to be arranged. 19 Sep: GC agreed to defer the motion from this meeting; webinar to be arranged in the meantime.
09.7	Organise a members' meeting/debate on AI policy, with speakers presenting different viewpoints, for after conference.	Policy & Campaigns	19 Sep: Raised at GC; members with speaker suggestions to contact Frankie Ashton directly.
10.3	Bring a discussion to the November GC on restructuring how GC motions are handled (e.g. focusing on Bills before Parliament; separating motions that become campaigns from those simply noted as policy; naming target recipients within motions).	Secretary / EC	18 Oct: Agreed at GC.
10.4	Consider an EC paper on the impact of Labour International, including the history of resolutions forwarded, to inform the GC debate on motions.	EC	18 Oct: Suggested by Mark Lee

10.6	Organise Joel McKevitt's presentation and discussion session on changing attitudes to Europe in northern "Leave" towns.	EC / Policy & Campaigns [NEEDS CHECK]	18 Oct: Joel attended as guest; session to be organised.
10.7	Run a session on writing conference motions early in 2027 (including clarifying with Labour HQ what a "contemporary motion" means) and consider moving LI's conference-motion selection to September, after the NPF report is published.	EC / Policy & Campaigns	18 Oct: Raised in the conference discussion.
10.8	Consider raising with Labour HQ/CAC the lack of transparency and of floor discussion on international issues at conference.	EC	18 Oct: Raised by Sue Blackwell and Valerie Swales; no specific approach yet agreed.

Archived Actions

07.1	Draft and circulate the resolution of thanks to Alan Aitkenhead approved by the GC.	EC	19 Sep: Closed as completed. 18 Jul: GC approved sending a resolution of thanks (14 in favour); EC to draft text.
09.6	Schedule a discussion of GC and EC meeting times at the October GC, as promised at the AGM.	Secretary / EC	18 Oct: Closed – raised at the GC; no comments received, so the current meeting structure is retained. 19 Sep: Members invited to send comments/preferences ahead of the discussion.
