

This CLP resolves to:

1. Dissolve the Costa Blanca Branch with immediate effect, subject to agreement by the membership of the Costa Banca branch at a duly constituted EGM.
2. Transfer all members of the former Costa Blanca Branch into the Southern Europe Branch, ensuring continuity of membership, representation, and participation.
3. Transfer any and all assets held by the Costa Blanca Branch to the Southern Europe Branch, with the expectation, and agreement by the Southern Europe branch, that such assets be used to support and facilitate in-person events and member engagement across the newly combined branch area.
4. Confirm that the previously approved £350 donation to the Labour Party by-election fund shall proceed as agreed, or, if already completed, be formally noted as an authorised expenditure of the former Costa Blanca Branch.
