

Emergency Motions to the GC – CENE Branch (If accepted)

Motion 1

The Labour International CLP calls upon the Government to expedite the bye election for any vacant parliamentary seat
And Labour International calls upon the NEC to support any candidacy for Parliament sought by Andy Burnham

Motion 2

Labour International constituency Labour Party draws its concern to the attention of the Independent Monitoring Authority at the removal by the UK Government of the Withdrawal Agreement right (honoured 2020-2024) from winter 2025 to be in scope for the Winter Fuel Payment, and the fact that their motion to the Prime Minister and the Attorney General have gone unanswered for two months despite the Attorney's commitment to reply to such correspondence within twenty working days.

It asks the Authority to utilise its statutory powers to correct this situation
